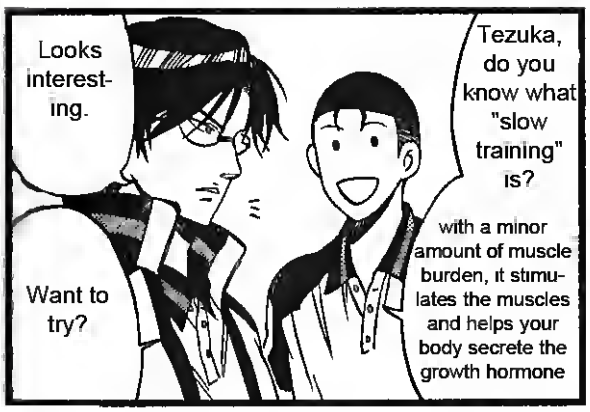
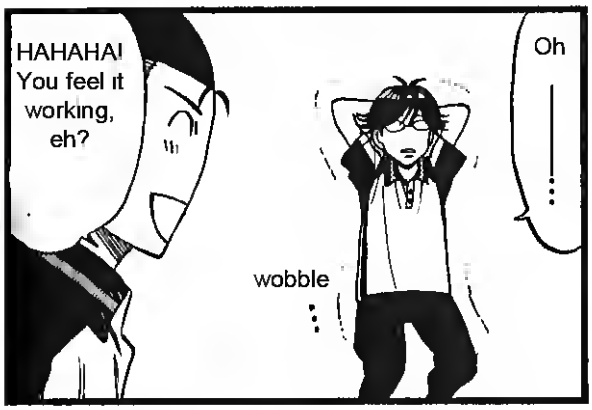
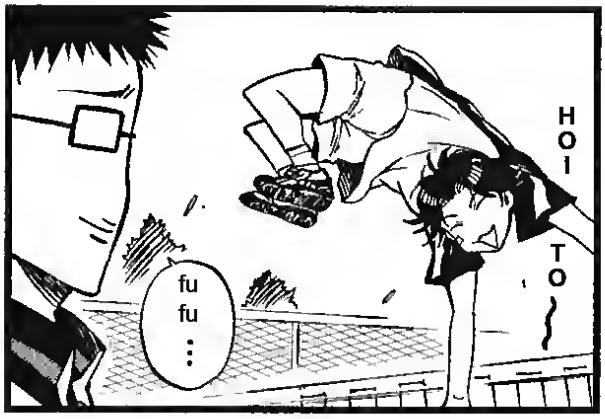
SLOW TRAINING

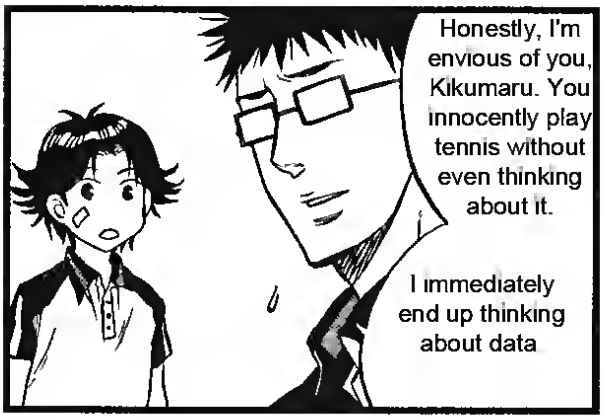


Looks interesting.
Want to try?
Tezuka, do you know what "slow training" is?
with a minor amount of muscle burden, it stimulates the muscles and helps your body secrete the growth hormone

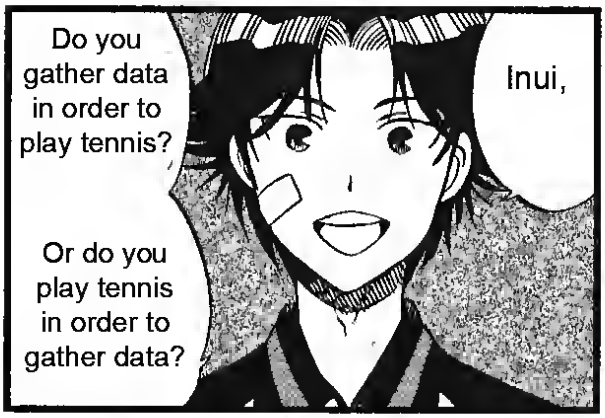


Deep

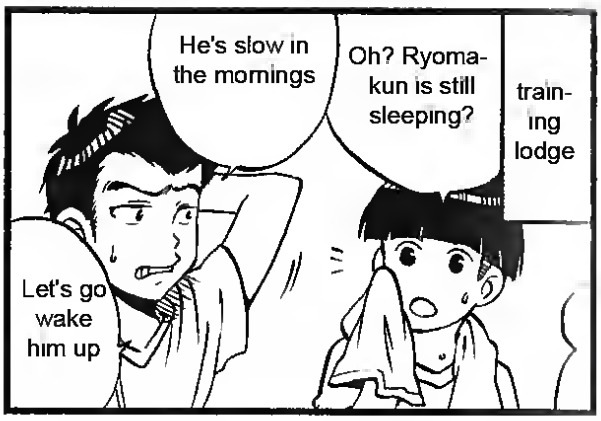


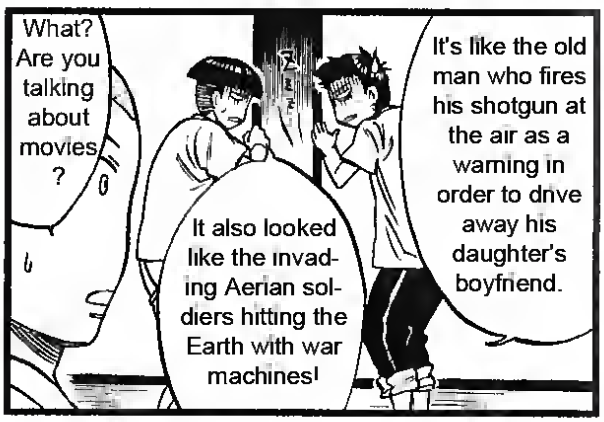


Honestly, I'm envious of you, Kikumaru. You innocently play tennis without even thinking about it.
I immediately end up thinking about data



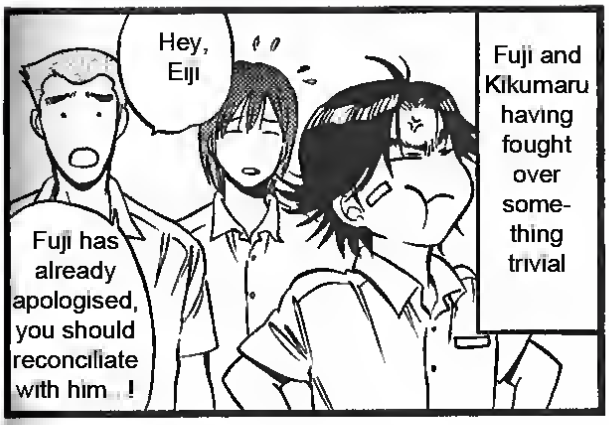
Ryoma's sleeptalking



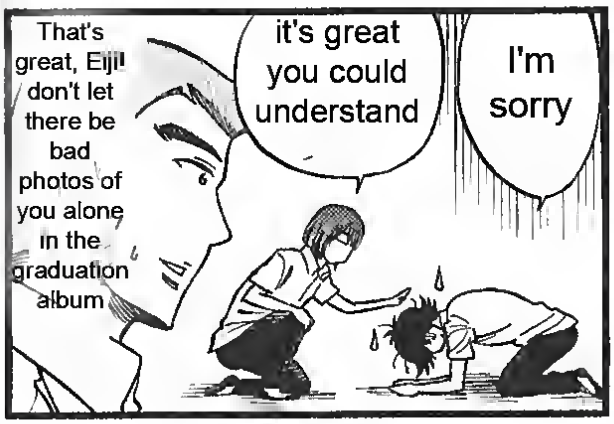


What? Are you talking about movies?
It also looked like the invad-ing Aerian sol-diers hitting the Earth with war machines!
It's like the old man who fires his shotgun at the air as a warning in order to drive away his daughter's boyfriend.

One life's regret

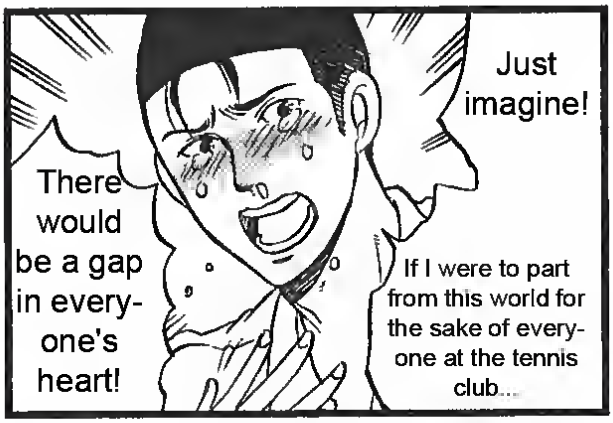


Hey, Eiji
Fuji and Kikumaru having fought over something trivial
Fuji has already apologised, you should reconciliate with him !



That's great, Eiji! don't let there be bad photos of you alone in the graduation album
it's great you could understand
I'm sorry

Gap



There would be a gap in everyone's heart!
Just imagine!
If I were to part from this world for the sake of everyone at the tennis club...

It's not
Isn't that great, Oishi sempai!?
If that were to happen, Kikumaru-sama will do his best to fill everyone's hearts' gaps!!

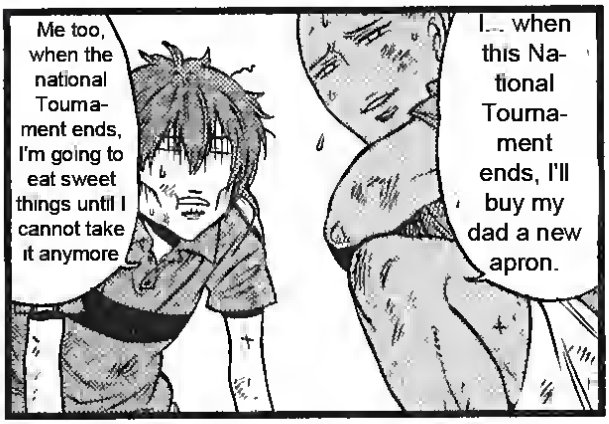
Flags kept being set*

*note: I'm... not sure what it means, but it would be, for example, a character saying "when the war ends I will get married" and then dying. It's something the writers add to "surprise" the spectator, achieving the opposite reaction. Wiki gives an explanation, if you want more info (plus, it will be a better explanation.)



Me too, when the national Tournament ends, I'm going to eat sweet things until I cannot take it anymore
I... when this National Tournament ends, I'll buy my dad a new apron.

Nioh-kun! Your shoelace is cut...!

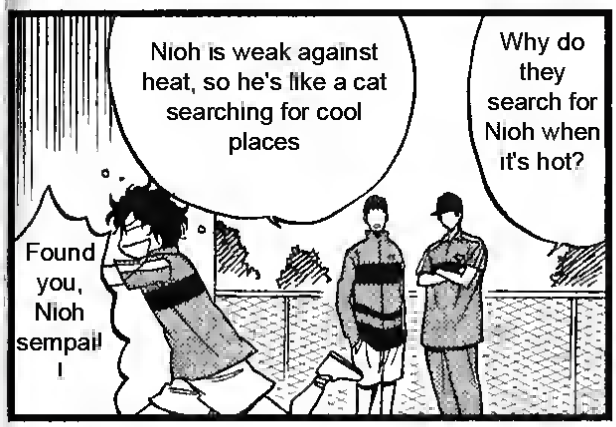
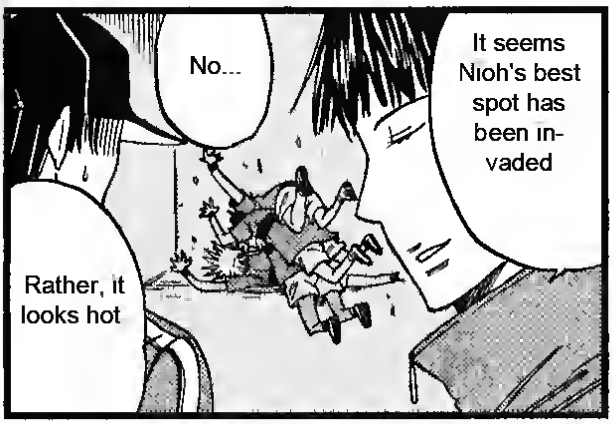
He went behind the club-room
Nioh? I don't know
Sanada! Don't you know where Nioh is?
I can't take it anymore! It's so hot I'm gonna die!! Where is Nioh sempai!?
Search for him!!



Nioh is weak against heat, so he's like a cat searching for cool places
Why do they search for Nioh when it's hot?
Found you, Nioh sempai!



Petenshi combi

Seems like Shitenhouji's owarai combi --Koharu and Hitouji-- are pretty strong?
Will you be alright sempais?
Yanagi deluxe data book

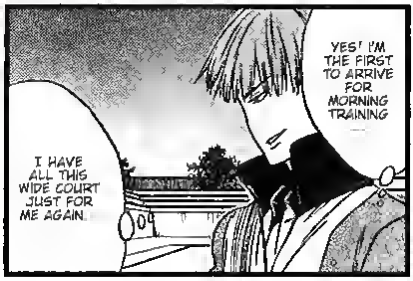
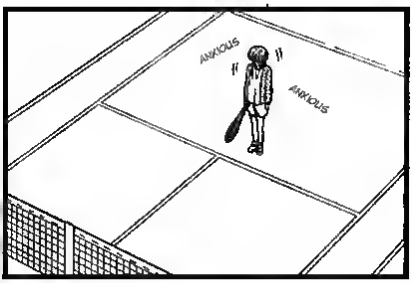
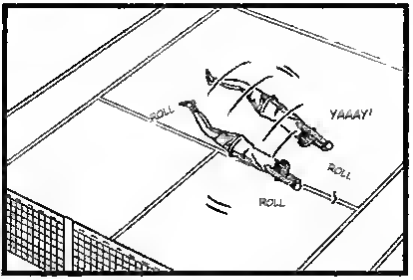
Wai! What's this about a petenshi combi?
Won't people think I'm a petenshi too!?

What are you talking about? Underneath that gentleman layer, lies your true self..
Wha!! You have no proof of that!
It's obvious just by looking at your face...

THE FIRST TO ARRIVE!







MUSICAL CHAIRS

THE NUMBER OF PEOPLE WHO I WANT TO GEKOKUJOU OUTSIDE OF TENNIS HAS INCREASED

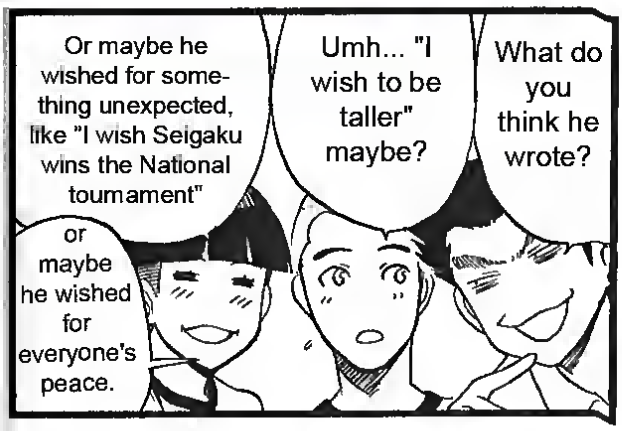
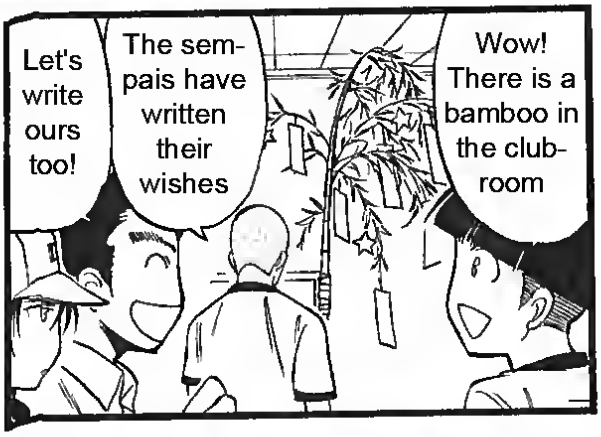
#9
TANABATA



Or maybe he wished for something unexpected, like "I wish Seigaku wins the National tournament"
Umh... "I wish to be taller" maybe?
What do you think he wrote?
or maybe he wished for everyone's peace.



Let's write ours too!
The sempais have written their wishes
Wow! There is a bamboo in the clubroom

Dammit, that jerk.
As I thought, you've looked. Mada mada da ne

Don't bother him, Horiokun

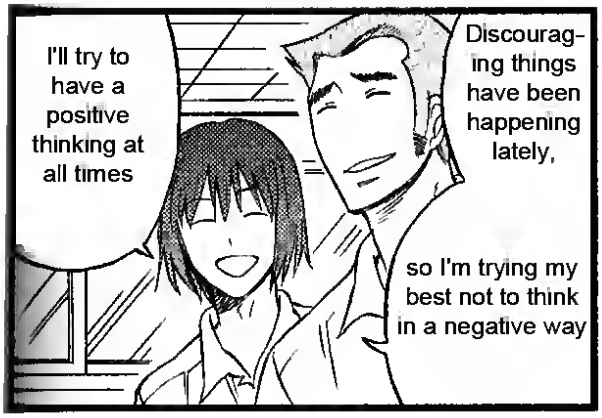
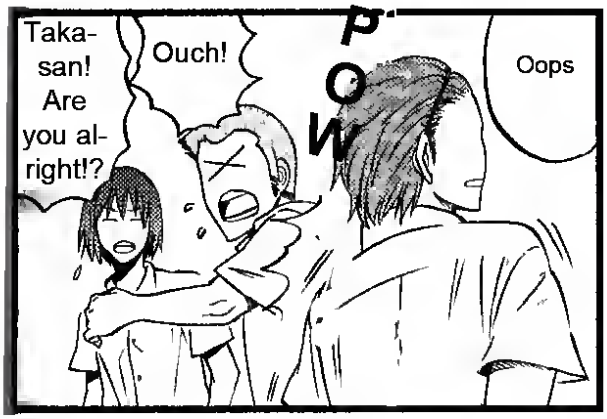
Positive

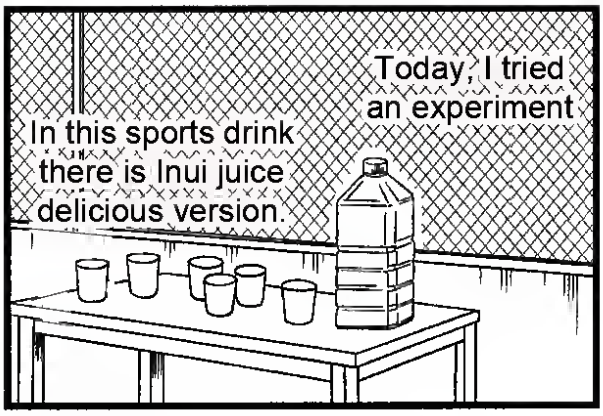


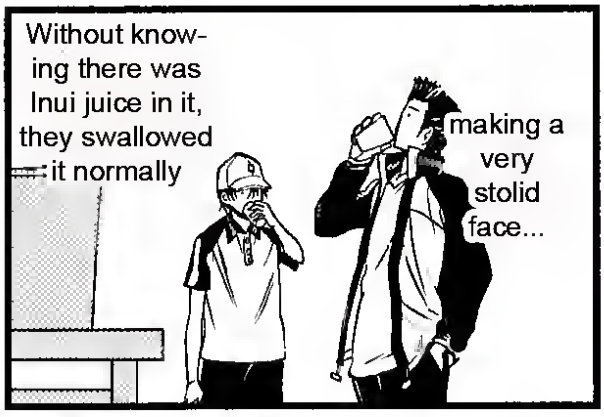
I'll try to have a positive thinking at all times
Discouraging things have been happening lately,
so I'm trying my best not to think in a negative way

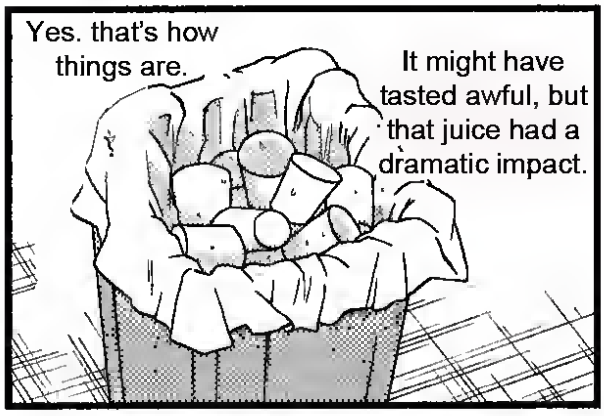


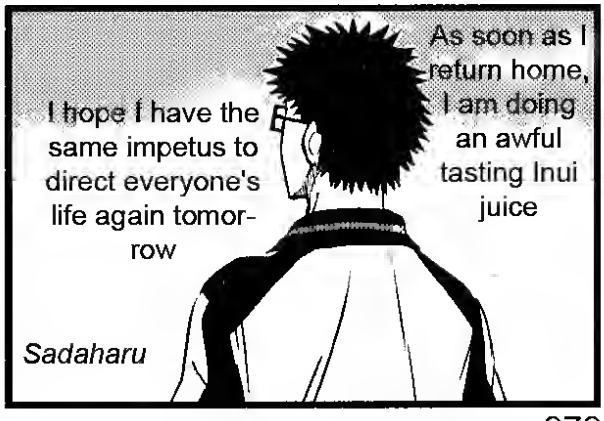
Taka-san! That is so positive it is negative!!
you added a good burden to my upper arm!
I'm glad you knocked me down while I'm on a heavy training

Inui - Jiru (Inui Drink)









I hope I have the same impetus to direct everyone's life again tomorrow

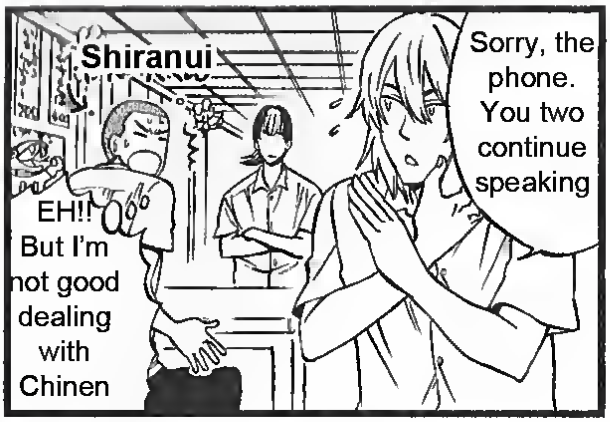
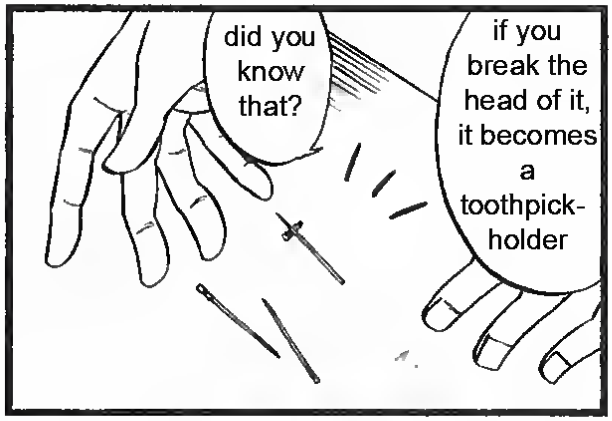
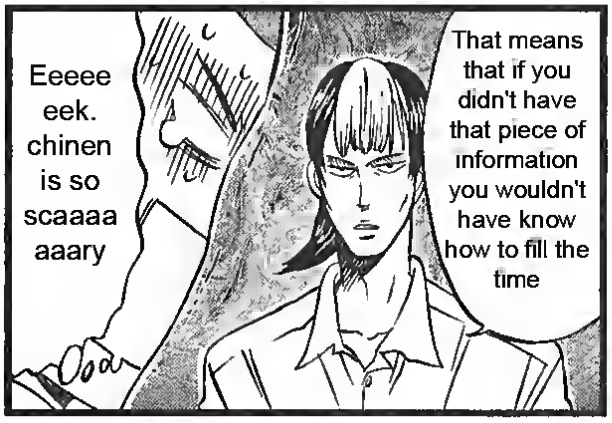
Nuu uun!!
Whatever is this going to be worth for in the future?

Fill in the time

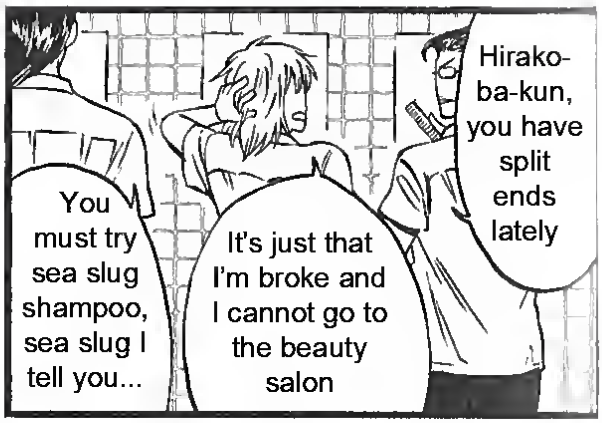




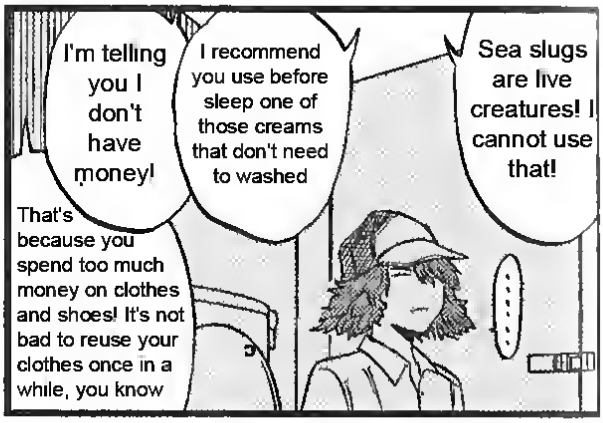


Eeeee eek. chinen is so scaaaa aaary
That means that if you didn't have that piece of information you wouldn't have know how to fill the time

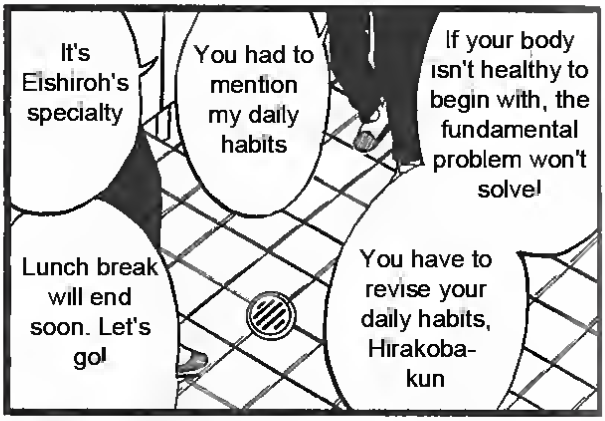
At the toilet



Hirako-ba-kun, you have split ends lately
You must try sea slug shampoo, sea slug I tell you...
It's just that I'm broke and I cannot go to the beauty salon

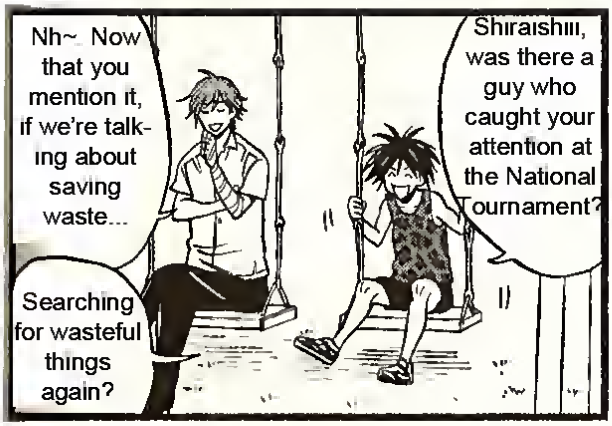


I'm telling you I don't have money!
I recommend you use before sleep one of those creams that don't need to washed
Sea slugs are live creatures! I cannot use that!
That's because you spend too much money on clothes and shoes! It's not bad to reuse your clothes once in a while, you know
.....

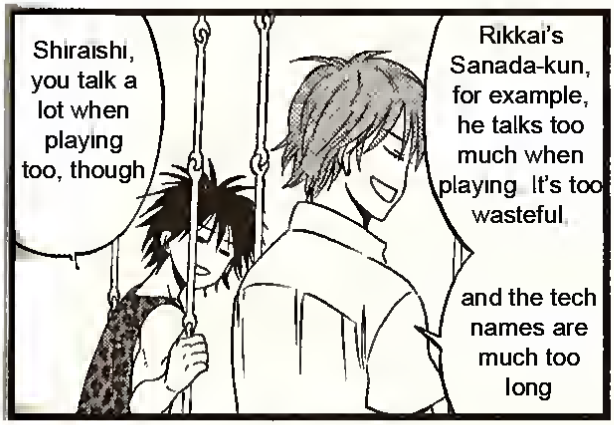


It's Eishiroh's specialty
You had to mention my daily habits
If your body isn't healthy to begin with, the fundamental problem won't solve!
Lunch break will end soon. Let's go!
You have to revise your daily habits, Hirakoba-kun

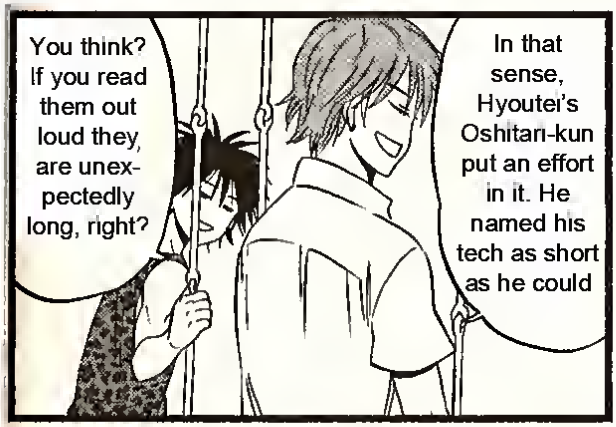
Waste ranking



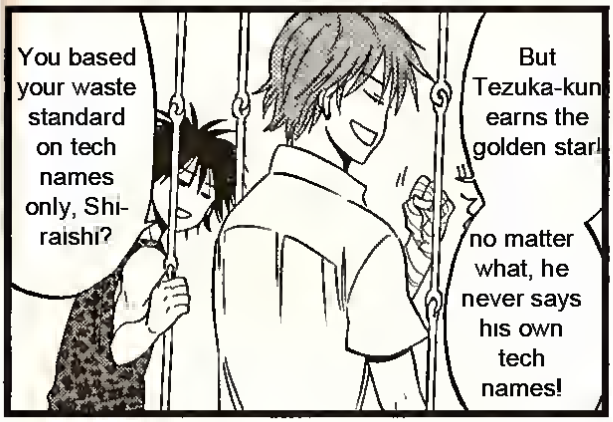
Nh~ Now that you mention it, if we're talking about saving waste...
Shiraishii, was there a guy who caught your attention at the National Tournament?
Searching for wasteful things again?



Shiraishi, you talk a lot when playing too, though
Rikkai's Sanada-kun, for example, he talks too much when playing It's too wasteful
and the tech names are much too long

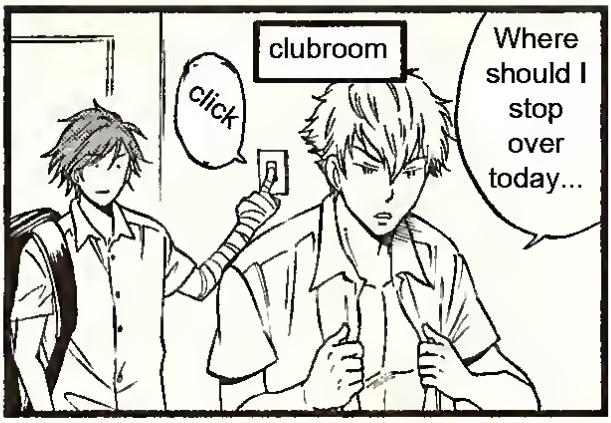


You think? If you read them out loud they are unexpectedly long, right?
In that sense, Hyoutei's Oshitari-kun put an effort in it. He named his tech as short as he could



You based your waste standard on tech names only, Shiraishi?
But Tezuka-kun earns the golden star!
no matter what, he never says his own tech names!

Getting rid of the waste



Today I came wearing the swimsuit already for the 3 o'clock swimming lesson!
You really like searching for wasteful things
You can just leave one light on before the sun sets
No waste, right!?
Isn't it too much waste?
